

*Presenting*

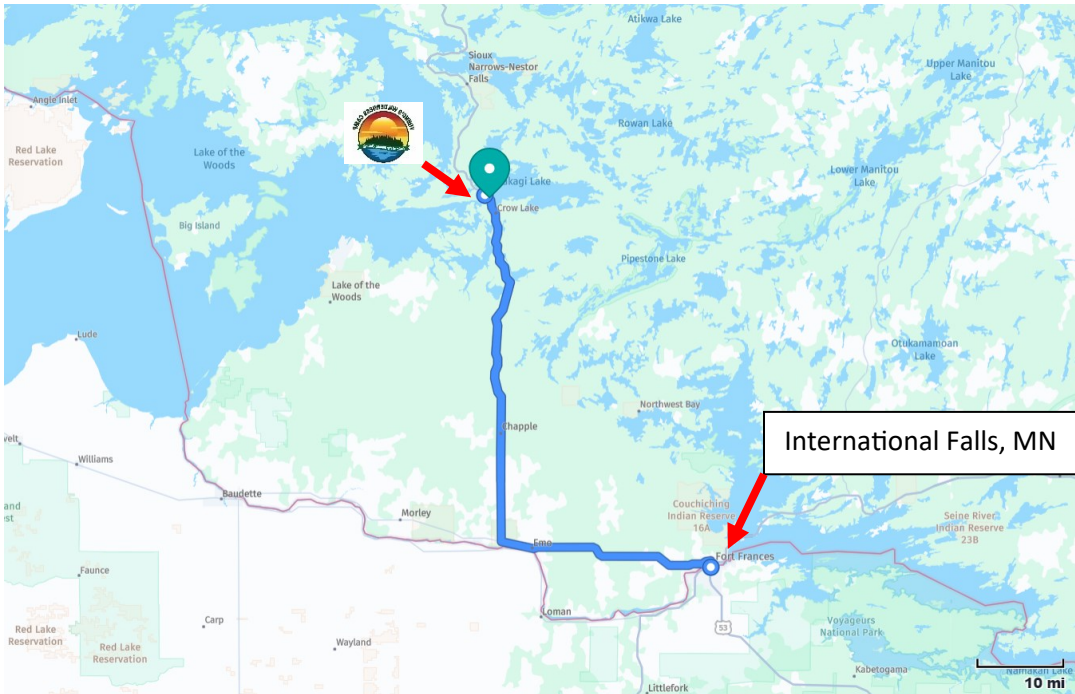

Nestled among the rocky terrain and tall pines of the Canadian Shield, Young's Wilderness Camp is a stunning and private boat-in island resort in a natural spawning bay and secluded area of the world-famous Lake of the Woods.

American Plan, Housekeeping and Fly-In / Fly-Out Outpost cabins are offered for a variety of wilderness fishing experiences, and we take pride in providing quality service, excellent food, clean & cozy accommodations, and reliable equipment.

## Location

A 60-mile drive from International Falls, MN (115km south of Kenora), we are uniquely situated in a remote environment only a mile from our landing 1.5 miles off highway 71. Surrounded by shallow weedy spawning bays in a mainly uninhabited region of the lake with hundreds of miles of bedrock shores, conditions near us are perfect for Muskie and schooling species. The lake presents a good variety and it's common to spend the day without seeing another boat in our area. Guests can spread out easily without venturing far from camp for some of the best fishing the lake has to offer.

## *Our Cabins*

Relishing the end of a day of fishing in a clean and cozy cabin with a full belly, fantastic view and a beverage on the patio with family and friends is integral to the experience at Young's Wilderness Camp. Our accommodations are built to do exactly that.

All 9 of our Cabins on the island are fully serviced with heat and AC, and 3-piece bathrooms with an additional spigot for filtered drinking water. All have twin beds, a fridge and coffee machine, are furnished for your comfort, available in a variety of sizes from 2 to 8 beds, and cleaned daily as part of our service.

As Young's meal service tends to set us apart from others, our American Plan cabins are our most popular. For those that prefer their own cooking, we also have kitchen-equipped cabins and separate docks for reduced rates starting in July.

Please see our website for a photographic tour of all our cabins and let us know if you'd like more information.

## Our Lodge

Traditional home-style cooking served hot and fresh is our signature of quality and service. American Plan guests enjoy a made-to-order pancake or French Toast, bacon & eggs breakfast, a fresh salad bar and main courses such as ribeye steaks, "fall-off-the-bone" ribs, chicken parmesan, just to name a few, plus some of Lily's Chinese side dishes, the most delicious desserts around and our custom seasoning for your fish fry shore lunches! Nobody goes hungry at our camp!

With indoor seating for 40 people, a large outdoor deck and a fire pit with a westerly view of the lake, the Lodge is the hub of our camp and where you'll find our free-use ice machines; bottled water and soda; our Tackle Shop with souvenirs, gear and convenience items; a formal massage therapy room and our Main Office. Guests check in there upon arrival to get fishing licenses while we take care of the luggage and ready the boat.

## *Our Boats & Dockage*

Our docks are serviced with power for recharging, and tucked into a south facing bay where boats are protected from the predominant weather from the west. American Plan guests enjoy full service at the main docks such as assistance with watercraft and luggage, and our boathouse is equipped with storage and bait facilities. Housekeeping guests enjoy an additional set of docks with separate access to their cabins.
