Our Location

A 60-mile drive from International Falls, MN (or 115km south of Kenora), we are uniquely situated in a remote environment only a mile from our private landing 1.5 miles off highway 71. Surrounded by shallow weedy spawning bays in a mainly uninhabited region with hundreds of miles of bedrock shores, conditions near us are perfect for Muskie and schooling species. The lake presents a good variety and guests can spread out easily without venturing far from camp for some of the best fishing the lake has to offer.

Lake of the Woods has 65,000 miles of shoreline and over 14,000 islands. Pristine wilderness in every direction!

Our Cabins

Relishing the end of a day of fishing in a comfy cabin with a full belly and fantastic view of the lake is integral to the experience at Young's Wilderness Camp. Our cabins are built to do exactly that.

All 9 of our cabins on the island are fully serviced with heat, AC, 3-piece bathrooms and filtered drinking water. All are furnished for your comfort with twin beds, a fridge and coffee machine. Cabins are available in a variety of sizes from 2 to 8 beds, and daily cleanings are standard unless by request.

As our meal service is one feature that tends to set us apart, our American Plan cabins are our most popular. For those that prefer their own cooking, we also have kitchen-equipped cabins and separate docks for reduced rates starting in July.

Please see our website for a photographic tour of all our cabins and let us know if you'd like more information.

Our Lodge

Traditional home-style cooking served hot and fresh is our signature of quality and service. American Plan guests enjoy a made-to-order pancake or French Toast, bacon & eggs breakfast; a fresh salad bar and main courses such as ribeyes, "fall-off-the-bone" ribs, chicken parmesan and turkey dinners. Plus, some of Lily's Chinese side dishes, the most delicious desserts around, and a hearty packed lunch or a shore lunch kit jammed full of fish-fry goodies including our custom seasoning! Nobody goes hungry at our camp!

With seating for 40 people, a large deck and a fire pit with a westerly view of the lake, the Lodge is the hub of our camp where you'll find free ice; a soda cooler; Tackle Shop with souvenirs, gear and convenience items; a formal massage therapy room and our Main Office. Guests check in there upon arrival to get fishing licenses while we take care of your luggage and ready our boat for you.

Our Boats & Dockage

Our docks are serviced with 24hr power for charging and tucked into a southeast facing bay, protected from the predominant weather from the west, and where you'll find our boathouse with storage and live bait. American Plan guests enjoy full service at our main docks such as Dockhand assistance. Housekeeping guests are treated with an additional set of docks with separate access to their cabins.

Our rental boats are a perfect layout for our area of the lake for up to 3 people and fully equipped for all the species you might fish for. All of our boats & motors are highly cared for and equipped with a full suite of modern electronics.
